CREW PROFILE:

YACHT CAPTAIN

After finishing his studies, Toni had to choose between being a civil engineer or life at sea. *"Going for a second option was one of the best decisions in my life"* he says. Toni enjoys spending time at sea, sailing and meeting new people.

His goal is to fulfil your holiday with a good memories and experiences while taking care of the safety of the boat and crew on-board.

YACHT STEWARDESS/COOK

Mateja graduated from the Faculty of Economics and Business in Zagreb, 2012. She is from Zagreb and currently living in Split. From early age, Mateja seeks for an adventure, finding interest in any activity connected with the sea, sun and wind. That is what has brought her to Split.

From an early age she has been sailing, first as a hobby and passion, later on as a job she loves. Mateja is a fast learner and a natural multi-tasker who has been working in the busy yacht industry for the last three years. Her discipline and high standards in customer service have always been one of her greatest assets. She always smiles and see the positive side in life. While she likes to work in a team, Mateja is also very efficient when working on her own.

Welcome aboard...
